5-090 FUNKS CREEK

Basin Boundaries Description

2003

- County: Glenn, Colusa
- Surface Area: 3,000 acres (5 square miles)

Summary

The Funks Creek Groundwater Basin is located north of Antelope Valley and overlies the boundary of Glenn and Colusa Counties. The basin is north of a series of northeast trending faults and is bounded on all sides by Upper Cretaceous Marine deposits. The basin consists of Quaternary alluvial deposits and is drained to the east by Grapevine Creek and Funks Creek (Jennings 1960).
